

PRIMARY MUSIC HINTS

July 2011

"I wonder sometimes if we realise the importance of music. I wonder if we know that the Lord himself is concerned about it. He has given us the information that the song of praise is a prayer unto him...It (is) our privilege, yea, our blessing, to sing and...our songs should be sung in righteousness".

"The Temple - I'm going there Someday

We looked at colouring pictures and used family photos to talk about the Temple.

In our family there are a lot of non-members so we showed him that when he is older he will be baptised at Church, but as Nanna (my Grandmother) already lives with Heavenly Father and can't be baptised at Church we will have to go to the Temple and help her be baptised.

We showed photos of our wedding too, now the first thing he tells people when he sees a picture of or hears people talking about the Temple is "I'm going to get married there".

We had mini gingerbread men with white icing clothes on them for a treat."
